As this is the final newsletter of the term, and first semester, I would like to congratulate all our students on their efforts during the first half of the year. By now parents would have read their child's Semester 1 report and discussed how they have performed and the progress they have made. Having had the opportunity to read many reports most students should be proud of their efforts and fully deserve a good two weeks break. When we return they have the opportunity to continue their fine work and look at what was to improve further.

Next term we have several staff on long service leave and new teachers will fill their roles until their return. The staff taking leave is as follows:

- Carol Griffiths will be on long service leave during Term 3 and will be replaced by Lynda Messom.
- Megan Tetley will be taking long service on Wednesday's from Rm. 7 and will also be replaced by Mrs Lynda Messom. This will mean that Rm. 7 will have the same teacher for the whole week.
- Tracy Wacker will be on long service leave in Term 3 and her role will be filled by Rosie Allen (Wednesday – Friday) and Lauren Filov (Tuesday). Rosie and Lauren have been at our school all of Term 2 completing their final teaching practicum. Both of these ladies only have a couple of units to complete until they are fully qualified classroom teachers.
- Mrs Lisa Low will take long service leave and Lauren will cover her work with students, although the timetable will be different.

I have no doubt that Mrs Messom, Miss Allen and Miss Filov will all be warmly welcomed into the Deanmore Primary community and will be valuable additions to our staff and school.

Unfortunately the end of this term will see Ms Tash Niederberger leave Deanmore Primary. For family reasons Ms Niederberger has to return to Switzerland. This is a considerable loss to not just the students in her class, but to the school as a whole. I know that everyone will wish her the very best and if we are ever in the position to have her back on staff it would be a great positive for us. We will all miss you. Mrs Victoria Unwin will replace Ms Niederberger. Mrs Unwin is originally from the UK where she has had many roles including that of a Deputy Principal and Principal. In Western Australia she has worked at Mullaloo Beach Primary and Craigie Heights Primary. Most recently Mrs Unwin has been working as a University supervisor for student teachers on practicums at schools and has been completing NAPLAN marking. I have no doubt she will be an asset to our school for the rest of the year.

The school has had a request regarding dogs being tied up right at the entry gates. When a dog, and in some cases several dogs, is tied up immediately at the gate it is proving difficult for parents with prams and small children to get through. Also for some children this can be frightening if they are not used to dogs. I appreciate that parents are following the rules and keeping dogs off the school grounds and know that they will be mindful of the needs of their fellow parents and our students.

Finally I wish everyone a safe and relaxing school holidays. Please remember that school starts again for students on Tuesday 19<sup>th</sup> July.

George Craig  
Principal

## Nationally Consistent Collection of Data- School Students with Disability

### WHAT IS THE NATIONAL DATA COLLECTION?

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students with disability and the level of reasonable educational adjustment they are provided with.

The information collected by schools will be provided to all State Governments to inform policy and programme improvement for students with disability.

### WHO WILL BE INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the Disability Discrimination Act.

For the purposes of the national data collection, students with learning difficulties such as dyslexia or auditory processing disorder as well as chronic health conditions like epilepsy, diabetes or asthma, that require active monitoring by the school, may be included.

### HOW WILL MY CHILD'S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will not be provided to local or federal education authorities.

### IS THE NATIONAL DATA COLLECTION COMPULSORY?

All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and submit information annually on the number of students with disability in their care and the level of adjustment provided to them.

### FURTHER INFORMATION

Contact the school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability.

Jo Marwick  
Deputy Principal

# Thank You

A big thank you to all parents who volunteered to drive students to the tournaments. Without your support, they simply wouldn't happen. Chess Club will recommence in Term 3 on Wednesday 20<sup>th</sup> July. Happy Holidays Everyone! - Mr Kaempf

## Deanmore Dads Dash

On behalf of the Deanmore Staff and the Deanmore Dads Group I'd like to thank you all for your fabulous support of the Deanmore Dads Dash Event. The atmosphere was amazing and the turn out of school community members to support the kids was incredible. The kids ran, they jumped, they laughed and squealed as we threw the paint and raised a magnificent total of \$2,957 for the P and C.

Deanmore has always had the most magnificent school community and your support for all school events helps us to make Deanmore the vibrant, happy and stimulating place it is for your wonderful kids.

Special thanks to Justin Juracich for leading the organisation of the Dash from the front !

### TEAM DEANMORE # TOGETHER

Dan Rodgers

Selected students in Year 5 and 6 have been competing the Eagles Cup and Lightning Carnival Competitions and have performed magnificently as a group, teams and individuals.

This term we:

- Won the Eagles Cup AFL Competition and will be presented with the trophy by an Eagles player on August 10<sup>th</sup>.
- Won the Dockers Shield AFL Lightning Carnival.
- Deanmore are still UNBEATEN in AFL on the oval since moving to the new school!
- Won and were unbeaten in the Netball B Lightning Carnival.
- Were unbeaten in the Soccer Lightning Carnival, finishing a very close 2<sup>nd</sup> place and improving impressively all term.
- Finished level on points with the other 2 top teams in the Netball A competition.

Most importantly the kids as a group came together under the Team Deanmore banner, competed sportingly, competitively and all players were encouraged and supported by all.

A huge thank you to the following parent helpers who assistance has been invaluable and much appreciated Greg Mickle, Ash Nesbit and Sam Prumm.

Our thanks to the other competing schools and especially Yuluma PS and Doubleview PS who hosted this year's Lightning Carnivals.

## Deanmore Kindergarten Students

Our Kindergarten students had a visit from two librarians representing the City of Stirling libraries during Week 9. All students participated in a wonderful reading session and later received a "Better Beginnings" Literacy Pack to take home.
