

What a wonderful athletics carnival we had last Friday, and we couldn't have asked for better weather on the day. We had an excellent turn-out of parents and community members supporting our students and cheering them on which was greatly appreciated. I would like to thank Mr Rodgers for his work in making the day, and the events on Wednesday, so successful and smooth. Throughout the term he had tremendous support from our teachers who made sure that students had the opportunity to practice the events as well as making sure that the teams were correctly organised.

A big thank-you must also go to our P&C and the numerous parents who assisted on the day, helping with setting up, packing away, preparing and selling food, and giving out ribbons. When all was said and done it was a fabulous day.

Interschool Athletics is still on next week – Some parents would have heard that the Interschool Carnival at Yuluma PS was being postponed til a later date. This was due to the passing of two of their community members (an Ex-student and one of their fathers who was intimately involved in the training of some of their school teams). However the Yuluma Community has dealt with this terrible situation extremely well and as such feel it is best for the carnival to go ahead as originally planned. All schools involved in the Interschool Carnival are fully in support of Yuluma PS and are happy with their decision. Hopefully this will not affect any parents who wished to attend the carnival. Just to confirm the dates for the carnival are as follows:

- Wednesday 14th September—Jumps and Throws
- Friday 16th September—Athletics (track) events

Class structure for 2017— Deanmore PS is beginning the process of establishing class structures. The school has a very clear process to construct the most even classes possible. The schools policy is available to parents on the school website. If you have a request for a particular placement, **based on educational needs**, please send a written submission to "The Principal" and mark it "Confidential" no later than Friday October 14. Only requests received by that date will be considered, however the school cannot guarantee that any or all requests will be met.

Individual NAPLAN results — During week 10 the individual results for our Year 3 and 5 students who sat the 2016 NAPLAN assessments will be sent home. Please take the time to look through this document. If you have any questions about the NAPLAN information feel free to make a time to speak to your child's classroom teacher.

Use of school play equipment before and after school – A reminder to parents that students and their siblings are not to use the play equipment on school site before school. Students are required to be in the undercover area which is supervised by a staff member. If they are with their parent they can either wait there or out the front of their classroom.

After school students can use the designated area (junior nature play, the red and blue and play equipment on the oval, **not the Pre-Primary and Kindy**) if they are under direct supervision of their parent or carer. Currently there are many students who are not being supervised. We have had some students who are meant to be waiting for after-school care who are in the playgrounds instead of their designated waiting area.

Unfortunately we have also had some issues in the toilets after school. It is obvious that children are not being monitored by their parents. There has been some significant mess made and it is requiring our cleaners to do additional cleaning to rectify this. There has also been some damage done to the gravel in the junior nature play. This has been dug up after school and our gardeners have had to make significant repairs to ensure that it is safe for the school day. It is disappointing that some parents are not being responsible for their own children and that it is creating extra work for staff who do everything they can to provide a safe and clean environment for our students.

Parent surveys — Every 2 years all schools are required to conduct parent surveys. These surveys will be conducted online and are completely anonymous. To access the surveys please use the following link:
<https://www.schoolsurvey.edu.au/s/uXU2JUYh>

The surveys are open now and will close on the last Friday of the school holidays, Friday 7 October.

Edison Robots thanks to Bankwest

Earlier this year Deanmore PS applied for an Easy Grant from Bankwest for STEM (Science, Technology, Engineering and Math) in the classroom. This \$1000 was used to purchase 2 complete classroom kits of Edison Robots. We would like to thank Bankwest for their support and we look forward to getting these into classrooms to be used by our students as soon as possible.

A WORD FROM THE DEPUTY PRINCIPAL

Assembly

Congratulations to the children in Room 12 for this morning's assembly. It was terrific. The next assembly is on Friday the 23rd September. It will be conducted by Ms Batchelor's Pre-primary class.

Dogs

Dogs are not permitted on school grounds. Please tie your dog up outside of the school grounds and away from the gates. Please tell your children to not touch dogs that they do not know. Recently a child was bitten by a dog.

School Of Instrumental Music

A note was sent home yesterday explaining that the Year 4 students will be tested for possible SIM placement in 2017. Please read it.

In-Term Swimming Lessons

All students will be offered in-term swimming lessons in Term 4.

The Year 3 to 6 children will attend lessons between 24/10/16 and 5/11/16. A note will be sent home next week.

Jelly Cups

The student councillors have organized a Jelly Cup sale day for Monday 19th September. Any money raised will go towards the Year 6 camp.

Faction Swimming Carnival

The faction swimming carnival will be conducted in Term 4.

Faction Points

Children continue to gain faction points for good behaviour in the classroom and in the playground. The current totals are;

Blue	1307
Red	1117
Gold	1046
Green	969

Sports News

Thanks to everyone who came to school to support the kids Team Deanmore Faction Carnival 2016.

A special thank you to everyone who helped out, you built tents, handed out ribbons, cooked sausage, measured long jumps, raked pits, cleaned the track and shouted your support all day!

Congratulations to Red faction for the win but most importantly the spirit of sportsmanship has been shining all term. All students have worked very hard to improve themselves, you are all amazing.

Chess News

Deanmore Wins Gold Again!

On Monday 29th August, twelve enthusiastic Deanmore chess players travelled to John XXIII College to compete in the A & B Division Perth Primary Interschool Chess Tournament at John XXIII College in Mount Claremont.

Starting from left; Alexander Squance, Zac Hansord, Reece Laws, Patrick Lawson, George Jahn, Leo Kriletich, Daniel Tyers, Jack Mickle, Alex O'Meara, Riley Lawson, Wilhelm Jahn and James Hemington.

A big thank you to all parents who volunteered to drive students to the tournaments. Without your support, they simply wouldn't happen. – Mr Kaempf

P&C News

The next P&C meeting is on
Monday the **19th of September @ 7.30pm**,
in the staff room.
We look forward to seeing you there.

Great Father's Day Stall

A big shout out to Clare Lawson and Amanda Major for their hard work and creative craft. It all looked amazing and was a huge success. The kids loved buying and the fathers undoubtedly enjoyed receiving!

The Team Deanmore Faction Carnival

A huge thank you to all who signed up to help BBQ 120 egg & bacon rolls and 600 sausages, and baked goodies for the cake stall. It was a fantastic day, and all parent and community input was very much appreciated by all.

Dear parents,

From time to time Deanmore requires small to medium sized projects to be completed to help better our kids school environment. If you have a special skill, equipment or are just a very handy person that likes to volunteer we would love to know about you. Examples of skills/equipment (but not limited too): artists, bobcat owners, carpenters, people who work for the city of Stirling council, horticulturist, plumbers, electricians, painters, left over building material suppliers, planners etc. please email leisa_veale@outlook.com with your skill/equipment and contact details.

School banking day is Thursday mornings before school. The Dollarmites Prize Lights promotion is currently running until the end of term 3 (more info at commbank.com.au/prizelights).

The **secondhand uniform shop** is open every Friday morning before school from 8.30am.

The ArtMarket will be returning in 2017. The next meeting is coming up on Thursday the 15th of September at 7pm. If you would like to get involved or have some skills that will be useful to help this event come together please come along and join us at the Scarborough Sportsmen's Club.

Canteen News

Lasagne (Gluten Free) has been added to the menu at \$4.00, available each Wednesday, Thursday and Friday.

Thanks to everyone who has helped this term. There's only two Fridays left this term, if you can help on one of them, please add your name to the roster in the undercover area near the canteen, or contact Yvette (0409 618 759 or pjmcbain@bigpond.com).

If you find yourself free on a canteen morning, and would like to help, pop in and see if help is needed.

A couple of hours straight after drop off is better than no help at all.

The roster for next term will be up in the undercover area in the last week of this term.

Next term, the canteen will only need one volunteer on Thursdays and Fridays. Contact Yvette if you want to lock in any dates.
