## PRINCIPAL'S REPORT

What a wonderful camp our Year 6 students attended last week. Point Peron is a great venue that provides children with many different activities and challenges throughout their stay. The staff at the camp site are professional and friendly and work well with all children and encourage them to have a go at all activities. We were all spoilt with great food for the 4 days and I am sure we all returned with a little bit of extra padding. I was extremely impressed with the effort the children put into their activities. So many pushed themselves and were able to complete challenges that initially they wouldn't have attempted. Prusiking and rock wall climbing are two that jump to mind. To make a camp like this a success, a lot of work and time is provided by many different people. We had several parents attend the camp to help with the activities and supervise the students which was greatly appreciated by all. I would like to thank Mrs Wacker, Mrs Plichta and Mr Downes who did a lot of work behind the scenes and before the camp to ensure that it was successful. They were also tireless on the camp and I am sure they thoroughly enjoyed their weekend at the end of it all.

**City of Stirling Ranger** – Parents and careers would have seen that over the last couple of weeks a City of Stirling Ranger has been monitoring parking around the school. This is quite common for the Rangers to visit schools. The big concern is that some of the parking and driving that is occurring is putting our students and your children a risk. While we understand that parking is a continuous issue, and what is currently available is all that will be available, it doesn't mean that parents and other people can just ignore parking rules and the safety of children. The Ranger is doing his job and initially spoke to many parents about what is required. Unfortunately some chose to ignore the advice and/or signage and as a result he has begun to issue infringement notices. Please be aware of the rules as I have no doubt that the Ranger will be a regular visitor for the rest of the year.

**Electronic Reports** – This semester all student reports (except Kindy) will be sent to parents/careers via electronic means. To make sure that you receive your child's report electronically you need to have an up to date email address. If you have not ensured that your email is up to date, or if you have not given the school your email address please speak to one of the ladies in the front office.

**More staffing news for 2018** – I would like to congratulate Mr Rajan Flint (Rm 18, Yr. 4) in gaining a position at Kyilla PS. I am also pleased to be in a position to offer Ms Veal, Mrs Prescott and Miss Pratley positions here at Deanmore PS in 2018. This means that our staffing positions are, at this stage, all confirmed for 2018 except for the Deputy Principal position.

In the next newsletter I will be able to confirm a full list of staff who will be leaving Deanmore at the end of this year.

# Reporting to Parents

## Electronic Delivery of Reports Semester 2

This semester, Deanmore Primary School will be delivering your child's Semester 2 report electronically via email and not as a printed copy as in the past.

The electronic report provides advantages for schools and the parent community including:

- timely delivery of reports to parents and guardians;
- school savings in the printing and collation of reports;
- an ability to easily provide copies of reports to each parent or guardian where dictated by family circumstances;
- reports not being lost on the way home; and
- Parents being able to retain a digital record of student achievement.

Very few parents in the school do not have an email address. However, it is imperative that you ensure your email address is correct with the school for the purposes of receiving your child/children's reports.

We have also asked that for the purpose of different family circumstances, anyone requesting a copy of the report be sent to a second family member to inform the school in writing via [Deanmore.ps@education.wa.edu.au](mailto:Deanmore.ps@education.wa.edu.au) as soon as possible.

Please do not hesitate to contact the school with any queries about the delivery of the reports electronically.

Do you find that your child is displaying emotional or behavioural issues? OnPsych are a team of fully qualified and registered psychologists who specialise in child and adolescent services. Services are performed at NO COST to the school, student or parent as sessions are bulk billed to Medicare. We are now lucky to have an OnPsych staff member at Deanmore Primary School, Dr Sue Miller.

Sue is a passionate psychologist who works with both children and adolescents who are experiencing a range of psychological issues such as anxiety and mood disorders, Autism Spectrum Disorders, interpersonal, learning and behavioural disorders, exam stress, self-harming and adjustment difficulties (social & situational). Sue employs psychological techniques such as Cognitive Behavioural Therapy, client-centred and solution-focused therapy with psycho-education. Sue firmly believes that a collaborative approach will produce the most successful outcomes for a child. If you believe that this might benefit your child, please contact Deputy Principal Narelle Morisey for further instructions.

Dear Parents

## **SCHOOL CONTRIBUTIONS AND CHARGES 2018**

The Western Australian Government's priority is to ensure that all students are entitled to participate in an educational program that satisfies the requirements of the *Western Australian Curriculum and Assessment Outline*.

The School Contributions and Charges financial procedure guides parents and carers to understand the flexibilities of school fee structures and to determine the estimated total cost of their child's education. It is a requirement of the Education Act that all possible contributions and charges are identified two months prior to the beginning of the school year.

The Deanmore Primary School Board has endorsed the schedule of contributions and charges for 2018.

### **1. CONTRIBUTIONS**

The term relates to the monies requested from parents towards the cost of materials, services and facilities used by K-6 students in the standard educational program which Deanmore PS is required to provide.

The total amount of contributions parents and carers are being asked to pay for Kindergarten to Year 6 is \$60.00.

Money collected will be used to supplement school expenditure in the areas such as materials for art and craft, design and technology and science, photocopy materials, classroom materials, web based curriculum materials/resources. While contributions are voluntary, the quality of the teaching and learning program will be maximised when each family makes its contribution.

### **2. CHARGES**

These are amounts paid for participation in separate events; sporting activities, incursions, excursions, swimming lessons, dance etc. We hope that all children will attend these activities but only those who pay will attend.

A breakdown of estimated charges for your child's participation in incursions, excursions and activities for 2018 has been included on the attached schedule. These charges reflect similar charges that have been made over previous years. Students will only incur cost when they are involved in a particular activity. The amount on the schedule represents the maximum charged for scheduled activities in 2018. You will be asked to make payment to the school for each activity as it approaches.

The charges schedule includes costs associated with:

- Specific learning activities made available to *all* students, but conditional on a payment being made eg. incursions, excursions.
- Specific learning activities made available to *selected* students, but conditional on payment being made, eg School of Instrumental Music program etc.
