PRINCIPAL'S REPORT

Many parents would have seen the 5 different designs for an updated version of our school logo. As previously communicated one of the main reasons for this update is the requirement that we clearly identify our school as a 'Primary School'. This requirement has also brought with it an opportunity to modernise our logo and reflect the changes that have been occurring at the school recently.

The school and community introduced a motto in 2017; 'ASPIRE – ACT – AHIEVE' which will be incorporated in the new logo. This incorporation is important as it communicates how Deanmore Primary School and the children who attend are continuously striving to improve.

Early last year the school was visited by the Expert Review Group and many recommendations and prescribed improvements were made to focus on the school, staff and community to ensure that the children of Deanmore Primary School were and are being provided with a high-quality education and learning environment. The school and staff is well on the way to meeting and exceeding these recommendations and improvements. When this is achieved it will be a significant achievement that will have a long lasting impact on our community. This 'renewal' as such will also be reflected in the new logo. It demonstrates how the school and community has built on the past, improved its practices and embraced a new direction.

Over the term, school staff and children at Deanmore PS will be asked for their feedback on the designs. This feedback will be provided to Kelly Exeter so she can continue the process of finalising the logo. Late in Term 3 or early in Term 4 a final draft or drafts will be presented for final consideration by the board. Parents are able to provide feedback as well by email (George.Craig@education.wa.edu.au or Deanmore.PS@education.wa.edu.au), to me or in person, by speaking to one of our Board Members (Jodee Eaves, Katherine Drakeford, Alex Bradley, Chris Lovelock, Justin Juracich), putting written feedback in the correct blue box near the administration block, or speaking to Kelly Exeter. Specific feedback is important for Kelly. Feedback could be as simple as which logo you prefer or more detailed such as particular features of one design that you do or do not want incorporated. Any feedback needs to be passed on by Friday 24th August.

OSHClub available during parent-teacher interviews – OSHClub will be opening from 12:40pm to 6.00pm on our parent-teacher interview afternoon (Wednesday 5th September). Details for those parents who use OSHClub and are interested in accessing this service on the interview afternoon can be found further in the newsletter.

Correction for Faction Athletics (Wednesday 29th August) Throws/Jumps /Long Distance events – In our last newsletter it was incorrectly advised that these events are for Year 1 – 6 children, when in fact it is for children in Years 3 – 6 only.

2018 Parent Surveys – In our next newsletter you will be provided with the access details for the 2018 Parent Survey. This survey provides the school and board with important information and we would like to hear from as many parents as possible. In 2014 only 14 parents completed the survey. In 2016 this increased to 47. For 2018 we are aiming for at least 100 parents/family representatives to complete the survey. The more responses we receive the better so that we can analyse in more detail parent views. All surveys are online and are completely anonymous. Please keep your eyes open for the details.

Tying back long hair on students – Can parents be aware of the need for all children (boys and girls) to tie back shoulder length (or longer) hair. Long, untied hair can be a risk during Phys-Ed, in Science classes and during recess and lunch. It can also get in the way in lessons when children are learning. Your assistance with this is greatly appreciated by the teachers.

SCHOOL PHOTOGRAPHS

Wednesday 22nd & Thursday 23rd August 2018

MSP Photography will complete our school photos on Wednesday 22nd and Thursday 23rd August.

Class photos will commence at 9:00am on both days in the undercover area.

If a student is away or late on the day of their class photo these photos can't be taken again.

Individual student photos will be taken in the library. Depending on the weather the Kindy and Pre-primary photos will either be taken in the undercover area or in one of our playgrounds.

All students must wear the required school uniform for their photos.

Our Year 6 students must wear their leavers shirts.

A draft timetable is attached for parents, however be aware that this may change closer to the date or on the day.

There is an option for family photos however the school does not create a timetable for this.

Family photos will be taken in the library on Wednesday and Thursday from 8:00am – 8:50am, at recess (10:50am – 11:10am) and lunch (12:40pm – 1:20pm). Students cannot be taken out of class during lesson times for family photos.

All photos will need to be ordered and paid for online this year through the MSP website. An information package has been distributed to families. Each student will have a form with their name and a code on it. It is important that parents read the instructions for ordering and payment.

There is a catch-up time slot for individual photos on Thursday 23rd August.

If there are any students who are away on both days, parents will need to contact MSP to have individual or graduation photos taken.

These catch-up photos are taken at the MSP studios and are organised by parents.

If you have any queries please contact Mr Downes.

P&C News

The next **P&C Meeting** is on Monday the **27th of August @ 7.30pm** in the staff room. All are welcome.
Like us on Facebook www.facebook.com/deanmorepandc

The P&C will be running a sponsored reading challenge for the month of August, please check your child's school bag for the list of challenges this week. We encourage sponsorship from friends and family, but please no door to door canvassing or engaging strangers.
Happy reading!

The **secondhand uniform shop** is open every Friday morning from 8.30am in the undercover area.

School banking is on every Thursday morning before school from 8.30am to 8.50am in the library.

The canteen needs your help. Community support is what makes Deanmore a great school, so order a lunch or recess to help keep the canteen running. Place an order by writing the child's name, class number and order on a brown paper bag (which lunch is put into at lunch time and any change is taped to) and placing in the lunch basket found in the classroom. The menu is on the school website –

www.deanmoreps.wa.edu.au

in the canteen section under the parent info tab. Or you can order on-line at quickcliq.com.au

You can also help by volunteering.

A volunteer is required each Thursday and Friday morning. Come for the whole morning or however long you can spare - **any help is very much appreciated**. Your child/children will love to see you there, and their friends get a kick out of being served by you!

The roster is by the canteen window in the undercover area, or contact Yvette on canteenvolunteers@deanmorepandc.org.au
