## PRINCIPAL'S REPORT

Welcome back to the final term of the school year. So far it has been a very positive start to what will be a busy 10 weeks. There are numerous activities happening and the school will be regularly updating the term planner to keep parents informed as best we can.

**Construction works on Jeanes Road** – The City of Stirling has been notifying local residents and the school of upcoming work starting on Wednesday 17 October. These will last for about 2 weeks. I have attached the information the school has received.

**New School logo** – I would like to thank any parent who provided feedback on the proposed new School Logo Designs. Feedback was also from received students in Years 1 to 6 and school staff. The overwhelming favourite is below.

I would like to thank Kelly Exeter for the work she put into the designing of this new logo. Kelly took on a lot of feedback from the school community and our students.

This design will be presented to the School Board for final discussion. After this the new logo will begin to be used around school. Use on school uniforms will not be immediate as the company supplying the uniforms typically needs a 12 month lead in. There will be a gradual implementation or change to the school uniform and parents will be informed of this at a later date.

**School Board nominations** – I would like to thank those parents who considered this role and have put their names forward. More information about the next step in the process will be provided in the next newsletter. The nomination forms from Alison Quinn, Alex Bradley and Darren Forster are attached to this email for parents to read. Voting slips will be available from the front office from Monday 15 October. Voting will close on Thursday 1 November.

When you collect a voting slip your name will be crossed off by one of the front office staff. This is to ensure that each family only votes once. The completed voting form will then be placed into a collection box.

**Parent surveys** – I would like to thank all of the parents/families who completed the 2018 parent survey. There were 163 completed which is 50% of families at the school. This is a significant increase on 2016 and 2014. There is a lot of information for the school and School Board to work through; however a report will be made available at a future date on the school website.

**Term 4 School Development Day** – This term's school development day is Friday November 2 (Friday of Week 4). OSHClub will be open on this day for families that use the service.

**Requests for 2019 class placements** – If you have a request for a particular class placement for your child it needs to be given to the **Principal by Monday 5 November, 2018**. The school only considers requests based on educational needs. Please be aware that requests for specific teachers will not be considered. Any requests that arrive after the above date will not be considered. Parents will not be notified in advance which class their child is in. It is also important that parents understand that with over 500 children at Deanmore PS it is not possible to guarantee that any or all requests will be agreed to. Schools are required to meet their set budgets as well as student-teacher ratios and this impacts on our ability to construct classes and place students. The school's class placement policy is available on our web-site for parents to read.

SCHOOL BOARD 2019  
NOMINATION FOR ELECTION

Alex Bradley

As an incumbent School Board member for the past 3 years, I feel that I have “learned the ropes” of board membership and hence really started hitting my stride in terms of making a valuable contribution to the school on behalf of our Deanmore families (I hope!). So I would love to be re-nominated to represent parents for another 3 years.

In terms of background for those I haven't met yet, I've now lived in the Scarborough/Karrinyup area for the last 8 years with my husband and two boys who are now in Pre primary and Year 3.

Professionally, I work as an Innovation Product Manager for RAC WA, which means that I create new products and services for RAC. What I bring to the board as a result is 17 years of local and international private sector business experience, which means I'm keenly focused on the jobs of the future and the skills required to be possessed by future generations.

I am currently also a class representative for my son's Pre primary class, requiring that I act largely as a conduit between the P&C, school operations and the class, which means that I am highly engaged with what's going on and care deeply about making the school the best it can be.

Above all, I am excited by the opportunity to give back to the school and the community for another 3 years if given the chance again.

SCHOOL BOARD 2019  
NOMINATION FOR ELECTION

Darren Forster

A proud former Deanmore student, now a proud Deanmore parent. With both my children having recently embarked on the first phases of their educational journey, I'm interested in being a part of and contributing to the development of the schools' future policy priorities and aspirational direction and targets.

I have served on the board of Regional Australia Goldfields- Esperance and feel I would bring a strong focus on governance and a diverse range of skills to the Deanmore Board. I have academic qualifications in science, education and law. I have a diverse professional background and network, with experience in senior roles across the public, private and not for profit sectors.

I am a strong advocate for the school and our community. During this time when our suburb is undergoing generational and transformational change, I would relish the opportunity to help Deanmore continue to achieve excellent outcomes for our kids and our community.

SCHOOL BOARD 2019  
NOMINATION FOR ELECTION

Alison Quinn

My oldest child Petra started Kindy this year so we are new to Deanmore. However I bring the perspective of a fresh school parent who has relocated internationally (we have recently moved back to Perth from Norway, where both of our children were born). I have a diversity of experience in my Human Resources career, ranging from not-for-profits to large multinationals, and I currently work as the Group HR Manager for a resources company in West Perth. I have previously held HR Director & Board roles in Norway and I am experienced in strategic business planning, while creating positive, sustainable customer and employee experiences.

I am passionate about our children's education and eager to reconnect with our community again now that we are back in Perth. This is an exciting opportunity to address both, and represent our parents and students on the Deanmore Board.

Noticed your child struggling with emotions or particular behaviors?

Psychologist, Bethany Price from *OnPsych* is here to help at Deanmore!

Bethany is a caring and friendly psychologist who works with children experiencing a range of psychological issues, including, but not limited to:

- ◆ anxiety
- ◆ emotional concerns
- ◆ grief and loss
- ◆ stress from family situations
- ◆ classroom difficulties
- ◆ behavioral concerns
- ◆ interpersonal or social challenges
- ◆ Autism Spectrum Disorder

*and more*

Each child is supported respectfully and uniquely.

There is NO COST to you for sessions, as OnPsych bulk-bills to Medicare.

Bethany can also provide assessments (e.g. for attention or IQ) should this be something that you think would benefit your child.

If you believe that OnPsych might assist your child, please either contact myself and pick up a parent pack from the front office, or email Bethany via [BPrice@onpsych.com.au](mailto:BPrice@onpsych.com.au).

Dear Parents

### SCHOOL CONTRIBUTIONS AND CHARGES 2019

The Western Australian Government's priority is to ensure that all students are entitled to participate in an educational program that satisfies the requirements of the *Western Australian Curriculum and Assessment Outline*.

The School Contributions and Charges financial procedure guides parents and carers to understand the flexibilities of school fee structures and to determine the estimated total cost of their child's education. It is a requirement of the Education Act that all possible contributions and charges are identified two months prior to the beginning of the school year.

The Deanmore Primary School Board has endorsed the schedule of contributions and charges for 2019.

#### CONTRIBUTIONS

The term relates to the monies requested from parents towards the cost of materials, services and facilities used by K-6 students in the standard educational program which Deanmore PS is required to provide.

The total amount of contributions parents and carers are being asked to pay for Kindergarten to Year 6 is \$60.00.

Money collected will be used to supplement school expenditure in the areas such as materials for art and craft, design and technology and science, photocopy materials, classroom materials, web based curriculum materials/resources. While contributions are voluntary, the quality of the teaching and learning program will be maximised when each family makes its contribution.

#### CHARGES

These are amounts paid for participation in separate events; sporting activities, incursions, excursions, swimming lessons, dance etc. We hope that all children will attend these activities but only those who pay will attend.

A breakdown of estimated charges for your child's participation in incursions, excursions and activities for 2019 has been included on the attached schedule. These charges reflect similar charges that have been made over previous years. Students will only incur cost when they are involved in a particular activity. The amount on the schedule represents the maximum charged for scheduled activities in 2019. You will be asked to make payment to the school for each activity as it approaches.

The charges schedule includes costs associated with:

- Specific learning activities made available to **all** students, but conditional on a payment being made eg. incursions, excursions. Specific learning activities made available to **selected** students, but conditional on payment being made, eg School of Instrumental Music program etc.

## TO THE OWNER/OCCUPIER

### ROAD RESURFACING – JEANES ROAD (DUKE STREET – KARRINYUP ROAD), KARRINYUP

As part of the 2018/19 Capital Works Program, the City of Stirling will be undertaking asphalt works including profiling and resealing at the above location on three consecutive Sundays (21, 28 October 2018 & 4 November 2018), aimed at extending the life of existing assets. Attached is the sketch for your reference.

The construction hours will be from 9:00 AM to 7:00 PM for approximately three Sundays only. If the works are delayed due to non-availability of the contractors or weather conditions, the City aims to start the project within one week of above given dates.

Access to your property will be maintained as much as possible, though there may be short periods when you will be requested to park nearby. If you need to leave your premises in that time frame, please ensure to have your vehicle out by 9:00 AM. Otherwise, there will be restrictions to enter and leave your property.

Road closures will be signed during the construction hours to assist the safe passage of vehicles around the work site. **The City requests that you do not park your car on the road and/or the verge during the construction hours as this will delay the works.**

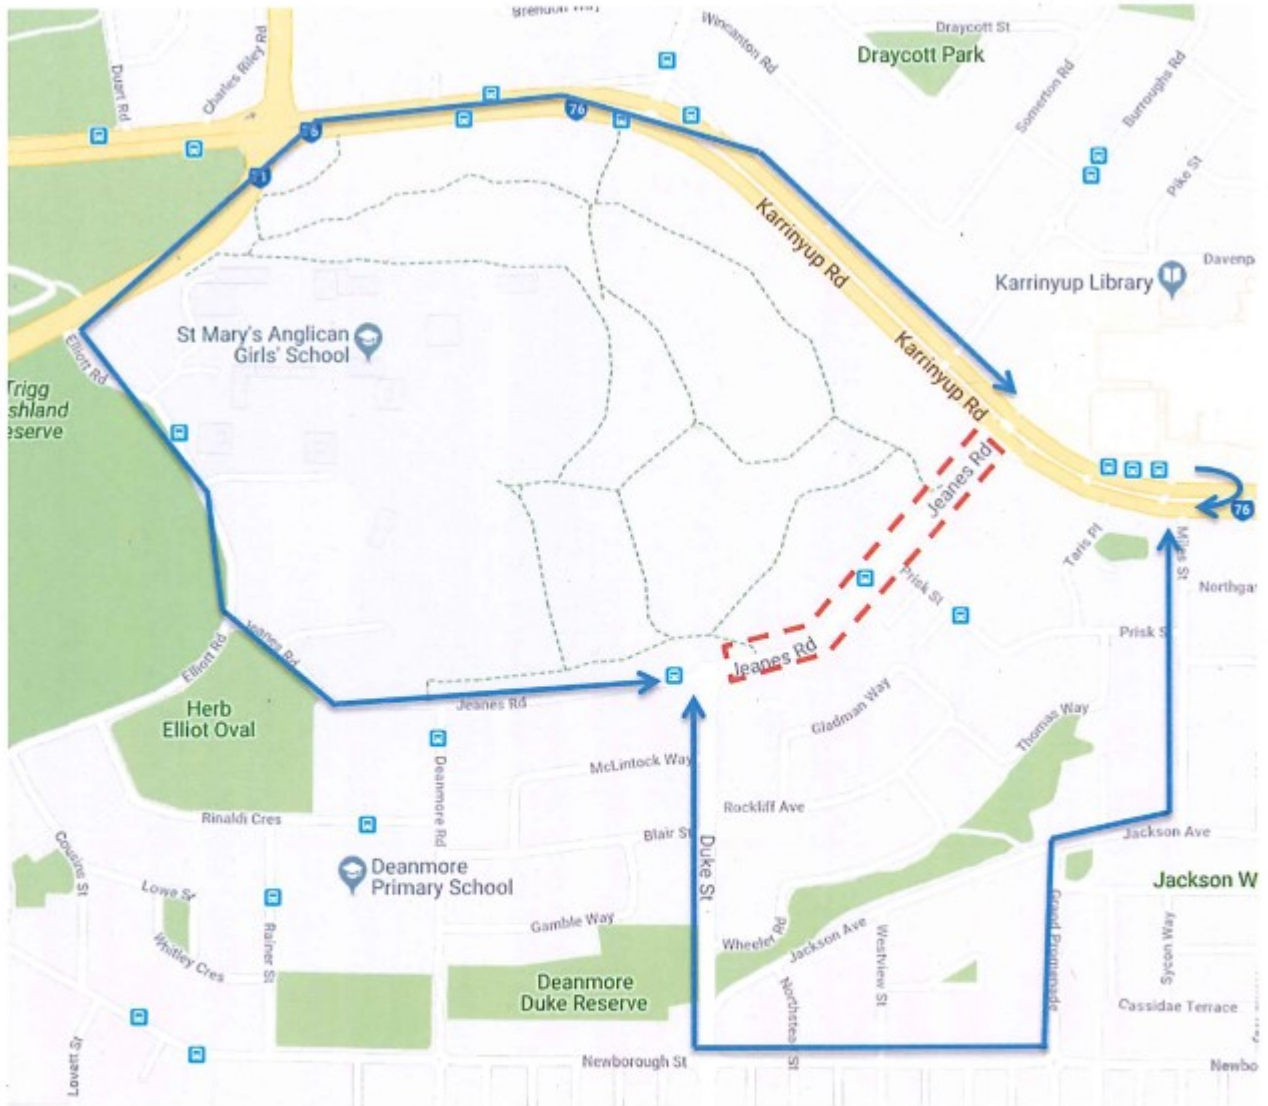

While it is inevitable that works of this nature will cause some temporary inconvenience, we will endeavour to keep this to a minimum. The City seeks your understanding during this period and extends its appreciation for your cooperation.

If you have any enquiries regarding these works during the construction hours, please contact Fulton Hogan Site Supervisor (Mr Parveen Ponniah) on 0428 077 268. For any other enquiries related to this project please contact me on 9205 7042.

Yours faithfully

# P&C News

The next **P&C Meeting** is on Monday the **29th of October @ 7.30pm** in the staff room. All are welcome.

Like us on Facebook [www.facebook.com/deanmorepandc](http://www.facebook.com/deanmorepandc)

A **big thank you** to those who helped out at the Bunnings Sausage Sizzle on Saturday. We sold over 1100 sausages and made around \$2500 profit for the P&C. Fantastic effort everyone. We couldn't do it without you!

The **secondhand uniform shop** is open every Friday morning before school from 8.30am.

**School banking** is on Thursday mornings before school from 8.30am, in the library.

The **Deanmore Dads** are meeting at the Scarborough Sportsmen's Club on Tuesday the 16th of October at 7.30pm. Come along and meet with Dads from school and discuss activities for term 4.

Contact [deanmoredadsrsvp@gmail.com](mailto:deanmoredadsrsvp@gmail.com) for more information.

As you are probably aware by now, we have the opportunity to hold a stall at this year's Wembley Downs District Fair, on Saturday the 27th October. We shall be holding a chocolate toss stall with Splat the Rat, for which we will need volunteers. If you can spare a couple of hours on the day to help run the stall please sign up at <http://signup.com/go/dKNdRPa>. We also require donated blocks of chocolate as prizes. Your class rep should have by now placed a box in your class room for donations. Any queries contact Clare - [clarelawsonc4@gmail.com](mailto:clarelawsonc4@gmail.com). It looks like it will be a fun day, so please get involved.

## **The Deanmore P&C ICT (Information and Communication Technologies) Contribution is now due.**

We need YOUR support! The P&C needs 200 families to donate \$50 per child, capped at \$100 per family (however, we welcome any contribution you can donate) to meet our commitment to fund programs used in school. The P&C funds programs such as:

- iPad Program for the junior pod: \$36,000 over 3 yrs,
- Athletics,
- Reading eggs.

With your support in 2018, Deanmore P&C will be able to continue to assist our school to fund technology:

- to maintain Smartboards,
- installing new touch screens,
- continue our commitment to the iPad program, and
- learning web site subscriptions.

With your help we can make sure that our children have all the tools they need to develop these vital ICT skills!

Forms have previously gone home with the children, but if they have been misplaced, you can also grab one from the office.

**The Canteen** is open every Wednesday, Thursday and Friday.

**One volunteer on each Thursday and Friday is required** to help the canteen run smoothly on those busier days. Stay for the morning and have fun serving recess to the children, or stay for as long as you can, helping chop salads and making sandwiches. You can add your name to the roster by the canteen window in the undercover area, or contact Yvette (0409 618 759 or [pjmcbain@bigpond.com](mailto:pjmcbain@bigpond.com)) with your preferred dates.

Or drop in after drop off and see if the ladies need any help.

**An hour or two is always very much appreciated.**
