## PRINCIPAL'S REPORT

As we close in on the final days of the 2018 school year, I would like to thank everyone who has helped the school, our staff or our students in some way. There are too many people who help our students to be named individually, however, you know who you are and as a school we appreciate everything you have done in 2018.

I will make special mention to our School P&C and School Board. The individuals on each of these bodies put in many extra hours, and at times, it goes unnoticed. As a school and staff we highly value the work that you do. I will specifically thank Jodee Eaves (School Board) and Steve Schupp (P&C) for the leadership they have provided over the course of this year.

**New classroom numbering** – Parents and students would have noticed the new lettering and numbering of classrooms throughout the school. This reflects the naming of our blocks and although the signs are already on buildings it all comes into effect from the start of 2019. A map outlining the new system is included in this newsletter.

**New faction names** – Last Friday Mr Rodgers and the Faction Captains announced the names of our factions. We have moved away from just having faction colour names to using the Noongar names of birds we find in the trees throughout our school grounds. Below are the new faction names;

Gold	–	Djitti Djitti	(Willy Wagtail)
Red	–	Djakal Ngakal	(Pink & Grey Galah)
Blue	–	Mopoke	(Owl)
Green	–	Kaa Kaa	(Kookaburra)

**Semester 2 reports** – For all students from Pre-primary to Year 6, reports will be emailed home either on Tuesday 11 December or Wednesday 12 December. The reports will be sent to the email address that has been provided to the school. If you have changed your email address it is up to you to inform the school. When you receive your child's report please be aware that the link is only active for a short period of time (about 2 weeks) so it is imperative that you download and save this report straight away.

**2019 class structures and notifying parents** – Next year there will be 19 classrooms (please note Kindy groups are counted as one classroom) which is one less than this year. The dropping of one class has been necessitated with a tighter school budget as well as a decrease in student enrolments. The decrease of one class will mean there are a larger number of students in some rooms but still within the recommended class sizes. At this stage there will be the following classes (these classes are not linked to teaching blocks):

Early Childhood	–	K1, K2, K/PP, PP1 and PP 2
Junior Primary	–	Yr. 1, Yr. 1, Yr. 1, Yr. 2, Yr. 2, Yr. 2/3 Yr. 3 and Yr. 3
Middle Primary	–	Yr. 3/4, Yr. 4 and Yr. 4
Upper Primary	–	Yr. 5, Yr. 5, Yr. 6 and Yr. 6

This year parents will be informed of their child's class and teacher, via SeeSaw or ClassDojo, before the end of this term. The aim is for the lists to be posted after school on Tuesday 11 December. There will be no consideration of requests to change classes as parents had this opportunity earlier this term. Please be mindful that if we have a large enrolment of children over the holidays or at the beginning of the school year we may need to change the class structure. If this is the case parents will be notified at the start of 2019.

Finally I would like to wish all our Year 6 students the very best as they enter high school. It has been a pleasure having each of them at Deanmore Primary School. For some families the end of this year with their child leaving Year 6 will mark the end of their association with our school.

Thank you for being a part of our community and on behalf of the whole staff I wish you all a safe and joyous summer and Christmas holiday. All the best for the future.

## DEPUTY PRINCIPAL'S

**Congratulations** - On Saturday, 1 December 2018, Luna McGovern (Year 2) and Lacey Jamieson (Year 3) participated in the State Little Athletics Relay competition, which was held at HBF Stadium. Both girls competed against other competitors from all over Western Australia and both did extremely well. Overall, Luna came first in the 4 x 200m Under 8 Girls relay and third in the 4 x 100m Under 8 Girls relay!!! Deanmore Primary School is very proud of the achievements of both Luna and Lacey.

**Thank you** – I have thoroughly enjoyed my first year being a part of Deanmore Primary School's community. It has been a real pleasure working with dedicated staff who work hard to plan and deliver engaging activities that help children achieve their best at school. The students themselves have continued to amaze me with how well behaved they are and how they always approach their learning with a positive attitude and consistent effort. Finally, I would personally like to thank all parents for their ongoing help and support that they not only provide their children, but to all of the teachers throughout the school. This is greatly appreciated and certainly makes the jobs of teachers a whole lot easier. I am looking forward to 2019 and building upon the many important partnerships that have been established between the school and home, which will help meet our ultimate goal of providing students with the best learning experiences that can be offered.

# P&C News

I would like to thank the P&C members, many volunteers and the school community for supporting the many activities that have been run this year.

The P&C finished the year with a strong financial balance, and has been able to provide over \$30,000 of support to our school:

## Fundraising Profits by Activity:

Quiz Night	8,386
ICT Contributions	6,514
Sausage Sizzles / Cake Stalls	4,465
Deanmore Dad's Dash	3,066
Mother's/Father's Day Stalls	2,912
Movie Night	2,751
School Disco	2,389
Other Activities	1,898
<b>Total Profit</b>	<b>32,381</b>

## P&C Donations to School:

ICT	14,428
Mathletics	6,738
Reading Eggs	5,814
Book Awards	1,200
Library Books	1,000
Year 6 Camp Donation	660
Skoolbag	655
Gardening Club	500
<b>Total Donations</b>	<b>30,995</b>

Next year the P&C is looking forward to the whole school moving to Skoolbag for class rep updates, and progressing the oval nature play. The P&C will need your help next year, and I would encourage everyone to actively get involved.

On behalf of the P&C, have a happy and safe Christmas and holidays.  
Steve Schupp, P&C President.

Transitioning from primary to secondary school is an exciting time for kids. Learning how to travel independently on public transport is one of many new experiences students will face.

If you have a child heading to high school next year, use the Get on Board website to help get them started using Transperth.
