## PRINCIPAL'S REPORT

Year 3 and 5 children across the country participated in **NAPLAN** assessments throughout the week. These assessments cover Writing, Reading, Conventions of Language, and Numeracy. This year is the first time that Deanmore PS has completed NAPLAN on-line (except for Year 3 Writing) and all schools will be required to do this in 2020. There are significant benefits to completing these assessments on-line including; a greater range of available questions; questions change during a test to reflect the child's previous answer which will provide more specific information; results of assessments should be returned much quicker (hopefully before the end of Term 2) for school use.

As with many schools across Australia, and in particular throughout Western Australia, we did encounter issues. Some were quickly and easily overcome, while others were not. At this stage it is difficult to ascertain the affect on assessments if any. All the children should be congratulated for the attitude they showed throughout the assessments. All we asked was that they did their very best and didn't give up.

It has been a couple of busy weeks for our P&C. They have run the Mothers' Day stall and will be raising funds during the Federal election this weekend. A big thanks to our P&C and all those parents who supported these initiatives that raise funds for children at Deanmore PS.

This week our Year 6 classes will be participating in the first Eagles Cup competition against other schools in our local area. What is most important is how they carry themselves and respond to winning or losing. Being a good sport and accepting the result is most important and I have no doubt they will display our school values. Good luck Team Deanmore.

I would like to thank all parents who read last fortnights newsletter and took on-board the need to support children following school rules and values outside of hours. This fortnight it has been obvious that children have been playing in correct areas and treating the school grounds and equipment with respect. By working together, we will send to all children a clear and consistent message.

I am sure that parents are continuing to hear all about our PBS (Positive Behaviour Support) strategy this term. There has been some more signage placed around the school; ask your child about this if you are unsure what it means. On the first Friday of Term 3 (July 26) we will be having a Deanmore PS parent/community launch. More information will be provided over this term, however if you can pencil into your diaries this date and starting time at 12:40pm it would be greatly appreciated.

## DEPUTY PRINCIPAL'S REPORT

**SEMESTER ONE REPORTS**—Semester One reports will be emailed through to parents/carers at the end of this term . To ensure that you receive your child's report, it is important that the school has your most up-to-date email addresses on our system. If different family members require separate emails of your child's report, separate email addresses will need to also be provided to the school. Please contact the front office to provide or update your email address. Thank you.

**NAPLAN Online**— This week our Year 3 and Year 5 students completed NAPLAN assessments for the first time online. As it has been widely communicated in the media, there were a number of schools that experienced significant technical connectivity difficulties, however our school only had a few issues. Our students need to be congratulated and recognised for their resiliency and perseverance that they demonstrated throughout the assessments.

**Parking**—Can we please be vigilant in our parking of vehicles around the school. Please ensure you are not parking in staff allocated and ACROD designated areas. Thank you.
