PRINCIPAL'S REPORT

Semester One student reports will be emailed to parents on Tuesday (2nd July) of the last week of this term. This report summarises your child's achievement, attitude, behaviour and effort. Learning area achievement indicates how your child is developing their knowledge, skills, understanding and values as outlined in the Western Australian Curriculum. Overall learning grades may change from year to year, and semester to semester, and previous achievement does not influence future achievement. It is not uncommon for students to move up or down on the achievement scale. As students progress through school years the knowledge and skills they are required to master become more difficult.

A learning area achievement of **"C"** for Year 3 – 6 students and **"Satisfactory"** for Pre-primary to Year 2 students indicates a child is demonstrating satisfactory achievement of what is expected for their year level at that time. Any achievement of **"D"** or **"Limited"** and below indicates that your child is not achieving the expected standard. It is important that as a parent you read the comments from the classroom teacher as these outline what you child can do and where they can improve. If you are unsure about anything contained in your child's report it is important that you organise a meeting with their teacher.

Reports are emailed directly to the email address you have provided to the school. If your email address has changed, or if you are not sure we have the current one, it is important that you contact our front office staff. When you receive the reports via email you need to open and download/save the report within 2 weeks. After this period, you will not be able to access the email or report.

School staff do a very good job at tracking which children need to have reports sent to more than one email address due to family situations or separation. However, as a school we are not always informed if sending a report to more than one email address or parent is required. If you need to have your child's report sent to more than one email address and have not informed the school or unsure if the information we have is accurate, please contact our front office staff.

What a great **school disco** we had last Friday. There were so many children in attendance, and they had a fabulous time dancing away. I would like to thank all those parents who took the time to attend with their children, who helped on the night, or who helped with the organisation. A special mention to Kaye Chapman who was instrumental in organising the event and making it such a great success.

Team Deanmore (Positive Behaviour Support) Launch – On the first Friday of Term 3 (26 July), the school will be holding a school community launch afternoon for the new student behaviour management process. The new process, which we are calling Team Deanmore, has been trialled during the first two terms of this year. The school will fully implement the process from the start of second semester. It is important that parents are aware of the process so children are supported at both school and home. Below is the outline of the afternoon:

12:40pm – 1pm – A sausage sizzle lunch with the children in the undercover area run by the P&C.

1pm – 1:20pm – Team Deanmore assembly and information session (undercover area).

1:20pm – 2:30pm – Team Deanmore Treasure hunt. These will be will your child in classrooms and teaching areas.

2:30pm – 3:00pm – Prize winners and giveaway and a secret end to the afternoon.

Next week a letter will be sent home asking parents to indicate if they are able to attend the afternoon This will also assist the P&C will the ordering of sausages and buns. More information about the sausage sizzle will come soon.

DEPUTY PRINCIPAL'S REPORT

Woolworths Earn & Learn

Deanmore Primary School is participating in the Woolworths Earn & Learn Program. For every \$10 you spend at Woolworths, you will receive an Earn & Learn sticker. We need to collect as many stickers as we can between now and 25th June. Please bring your stickers to the school and place in the collection boxes located in the front office.

The stickers will help the school redeem much needed equipment for our classrooms and/or outdoor play areas.

PJ DAY

With the cold and wet days and nights, what a better way to get through the miserable weather, but come to school dressed up in your PJs. The Year 6 Student Councillors have organised a PJ dress up day for **Wednesday, 26 June**. Hopefully, the bright coloured PJs will lighten up a grey, gloomy day. By participating and donating a gold coin or coins, students will help raise money for the Year 6 students' gift to the school. What a great excuse not to change in the morning to come to school. 😊

P&C News

The next **P&C Meeting** is on **Monday 24th of June at 7:30pm** in the staff room. All welcome!

Thanks to those who have already paid their ICT contributions. Please keep them coming.

Thanks to all who helped at the school disco. We raised \$2,400 for the school, a sterling effort to all those involved. Thanks to all the children for dancing up a storm, and special thanks to Kaye for organising.

School banking is available every Thursday morning in the school library from 8.30am, and the **2nd hand uniform shop** is open every Friday morning from 8.30am in the undercover area. 🍷

There will be an **ArtMarket** meeting on Wednesday the **19th of June 7.30pm** at the Scarborough Sportsmen's Club.

News from Janina, Jenny and Barbs in the Canteen

Sandwiches in the canteen are made to order, with high quality ham, fresh roast chicken, salad and eggs from our very own chickens. Parents please come down and have a look at the canteen and feel free to ask any questions about the food we make for your children. 😊

The Canteen is open each Wednesday, Thursday & Friday.

One volunteer on each Thursday and Friday is very much appreciated

on those busier days. Please add your name to the roster by the canteen window, ❤️

or if you've got a free moment just drop in after drop off and offer a hand.

Any amount of time helping out is wonderful.

The D block **cake stall** will be held on **Thursday the 27th of June** after the edudance concert. We need helpers to receive and price cakes in the morning, set up from 2pm so as not to interfere with the concert, and sell from 3pm. If you can help please contact Clare on 0426201221 or Amanda 0417961788.

Please be aware that P & C Donations for ICT Contributions are separate to Deanmore Primary School .

Please check bank details are the P & C's account before depositing money.
