## PRINCIPAL'S REPORT

What an incredible week of weather we have had for the carnival events this week! The rain held off on Tuesday for the Junior races and games, and by yesterday we were blessed with one of the most amazing carnival weather days I have ever seen. The sun really does shine on Deanmore Primary School!

I would like to congratulate all students on your upholding of our school values. Training hard for success is important, however I was just as impressed to see students who upheld our values of Unity and Respect, by supporting others no matter what their faction, and celebrating the success of others, even we have not been the winning competitor. Your children distinguished themselves and I'm proud to be Principal of our school.

Many thanks to all staff and volunteers who supported the running of the carnival on the day, and have invested time in the lead-up to the event to ensure the day went smoothly and positively.

Our Student Leadership team, and in particular for this carnival our Faction Leaders, have been outstanding in their support during practices and their help on the days. Congratulations on living up to the high standard of the office!

**Students returning in 2020** – Deanmore PS is currently in discussions about our class sizes and structures for the 2020 School Year. It is extremely helpful to us as a school if we have clear and up-to-date information about your family's movements in 2020, so that we can plan appropriately for the school year.

If your child is not returning to Deanmore Primary School in 2020 (except children in Year 6, and families already in communication with the school), could you please notify the front office (via phone call 9341 1610) or email: [deanmore.ps@education.wa.edu.au](mailto:deanmore.ps@education.wa.edu.au) and inform us which school they will be moving to.

# DEPUTY PRINCIPAL'S REPORT

Thank you to all that assisted in making our 2019 faction carnival events fabulous. The students and staff are very fortunate to have an actively supportive community. The students demonstrated the school's values through their participation in events and their support of their peers. Thank you Mr Rodgers for your organisation.

# Merit and Value Awards Congratulations!
