PRINCIPAL'S REPORT

We have wonderful weather today for the Interschool Carnival, and I have just been up to the oval to see our students, and students from surrounding schools, competing with each other in a climate of excellence and unity. I am so proud of the efforts of our students, and I can't wait to hear which school will be the overall winner! Keep your eyes open for Dojo messages and the P&C Facebook page for more information later this afternoon. I would like to make special mention of all staff members who have contributed their time and effort to planning for, training for and participating in the event, particularly Mr Rodgers for his tireless commitment to fitness, health and sports in our school.

Staff leaving Deanmore Primary School – At the end of this term we will be farewelling Mrs Sue Hayes who is going on leave for Term 4 and 2020. We are currently in the process of appointing a replacement Education Assistant for Kindy in Term 4, and considering our future staffing options for next year. We will let families know as soon as we have more information.

Principal Position Process – As you may already be aware, I am currently appointed to the position of Principal at our school while the process to appoint a permanent Principal is run by the Department of Education, however this process has not yet been completed. As soon as we are able to, we will provide more information to families.

I know everyone will be looking forward to the upcoming end of Term 3 school holidays. Have a safe and enjoyable 2 weeks. **Please note that all children will return for school on Monday October 14th.** The Term 4 School Development Day (Student free day) is on Friday November 15th.

DEPUTY PRINCIPAL'S REPORT

TELETHON

I am sure that all parents enjoyed the absolutely beautiful music performed by a number of our wonderfully talented Year 6 students last week. They raised an amazing \$476.00 for Telethon!!! Parents it is not too late to donate money to acknowledge and support the efforts and idea of our thoughtful Year 6 students. Donations can be made by visiting the following website:

<https://my.fundraising.telethon7.com/fundraise-for-telethon/deanmore-primary-school-2>

The whole initiative is a reflection of the high calibre and considerate students that attend Deanmore Primary School. As mentioned at last week's assembly, it is a real privilege for our staff to work at such a beautiful school and surrounded by such hard working and well behaved students, as well as a supportive community.

END OF TERM

After such a hectic term, it is totally understandable that staff and students are looking forward to a well deserved break. As usual, staff have worked extremely hard to provide our students with the best learning experiences that they deserve. I would like to wish everyone a safe and enjoyable break.

Swimming Lessons

During term 4, Years 4, 5, 6, 1 and Pre Primary will be participating in swimming lessons. Years 4, 5 and 6 swimming lessons are scheduled for 28/10/19 to 8/11/19 at Bold Park Aquatic Centre. Pre primary and Year 1's lessons are on 11/11/19 to 22/11/19 at Beatty Park Aquatic Centre. Please keep an eye out for notes detailing swimming stage information and payment details. More details about equipment requirements and swimming lesson times will be communicated at the beginning of term 4.

IMSS Assessment

On Thursday, students from years 3 and 4 completed a music aptitude indicator assessment. This assessment is utilised to identify students acceptance into an instrumental music program. Parents/Carers will be notified early next term if their child was successful. Congratulations to all students who participated. They all demonstrated our school value of excellence, through perseverance and willingness to strive. Thank you Mrs Motherway for assisting the students in completing the assessment.

NAPLAN

Students in Years 3 and 5 will be bringing home their individual NAPLAN results. Currently, school's online NAPLAN data is very limited and therefore we have been unable to analyse comparative trends and achievement against our school targets. If you have any queries, please arrange a meeting with your child's classroom teacher.
