## PRINCIPAL'S REPORT

Newsletter 1 – Term 4

Thank you to all of the wonderful parents, students and staff that have made me feel so welcome this week as I have joined Deanmore Primary School. Our Deanmore kids are fantastic. The **respect** they have shown to myself and each other has been noticed. It is clear they **care** for our school and our community through their **actions** and their **words**.

I have had an extensive handover with previous Principal, George Craig and will continue to liaise with him as I get to know the school in depth. The work that has been undertaken at Deanmore Primary School will be consolidated over the coming months and continue towards the delivery of the targets and milestones set out in the School Business Plan 2018-2020.

I look forward to continuing a strong partnership with Jodee Eaves, School Board Chair, and all of our Board Members to promote governance and community voice in the school. I thank Jodee for being proactive in welcoming me to the school community and bringing me up to speed on the work of the School Board. I equally am excited to meet with our P&C Executive and members, and work along side them to promote **unity** and community in our great school.

I would like to thank Mrs Narelle Morisey for the incredible leadership she has provided at Deanmore Primary School in her time here. The role she has played in our school's significant change and growth, particularly since 2017, cannot be understated. Personally, I would also like to thank Narelle for her support, experience and expertise this week. I am sure you join me in congratulating Narelle on this achievement and wish her all the best on her new adventure as foundation Deputy Principal at the new school in Caversham.

**Jacquie Cooper**

**Principal**

**Please notify the front office via email if your child/children will not be attending Deanmore Primary School in 2020**

**Requests for student placements in 2020 can be made via email. Only requests submitted prior to 8/11/2019 will be taken into consideration.**

Please be aware that P & C Donations for ICT Contributions are separate to Deanmore Primary School .

Please check bank details are the P & C's account before depositing money.

# DEPUTY PRINCIPAL'S REPORT

## Goodbye from Mrs Morisey

It's never easy saying goodbye.

As I look back on my time at Deanmore Primary School, I am so grateful for our community, staff and students. You have all made it a pleasure to come to work every day. I will always remember my time here with fondness, and leave wishing our students a bright and successful future.

Parents, I want to thank you for bringing your children to our school and trusting us with them every day. I especially want to thank you for raising such an amazing group of people. To be departing from this community – this family – fills me with incredible sadness. So many relationships have been formed and my respect for every one of these relationships is utmost.

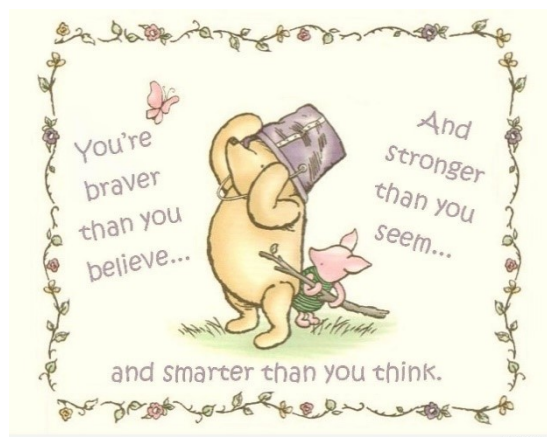

Being at Deanmore, your children have taught me:

- how to be an effective teacher and leader;
- to have a willingness to take risks;
- to be kind; and
- to be myself.

I am forever grateful for these lessons and I will continue to do my best to apply these in my future endeavours.

For me, this school has been a vibrant, exciting place as we have implemented many initiatives. Without your support, these initiatives would not of succeeded. I am proud of the growth and confident in the direction that Deanmore Primary School is headed.

Please share with your children my goodbye and let them know, wherever their future leads them, I will be cheering for them. I am looking forward to updates about their lives and seeing where their education leads them.

## Swimming Lessons

Thank you to the families that have returned their child/ren swimming notes with payment. The deadline for the Year 4, 5 and 6 swimming lessons has closed. Please contact the front office or return forms with payment by Monday 28<sup>th</sup> October. Thank you.

## Woolworths Earn and Learn

Thank you to everyone who contributed in assisting the school with collecting the Woolworths Earn and Learn stickers. With your contributions, the school was able to select the below guided reading resources.

## INFORMATION FROM THE SCHOOL NURSE

Scoliosis is an abnormal sideways curvature of the spine. It can be detected by a simple examination of the back. The normal spine has three curves – one in the neck, one in the upper back and one in the lower back. These curves can be seen from the side, but when you look from behind the spine should appear straight. If the spine has a sideways curve, this is scoliosis.

An information leaflet about Scoliosis will be distributed to all year 6 students. Please read through the information provided and check your child for scoliosis as described in the leaflet.

Colour blindness means that a person cannot distinguish some colours or see the colours differently to other people. Very few people who are colour blind are 'blind' to all colours. Commonly, the colours seen differently are greens, yellows, oranges and reds.

An information leaflet on colour blindness will be distributed to all year 6 students in term 4. Please take the time to read the pamphlet.

For more information see the Colour Blind Awareness and Support Group on

<http://www.members.optusnet.com.au/~doverton/>

If you have any concerns, colour vision testing can be performed by some general practitioners, eye specialists or optometrists.

### Deanmore Primary School Payments

When paying into the Deanmore Primary School account please write your child's surname and what you are paying for.

#### Our bank account details are:

**Account Name:** Deanmore Primary School
