PRINCIPAL'S REPORT

Newsletter 3 – Term 4

Today is our term 4 School Development Day. In the morning staff are engaging in workshops to interrogate our school data. We are seeking to identify the programs and activities that are having positive impact on student learning and progress as well as those areas we still need to develop.

Our afternoon professional learning is around Trauma Informed Practice. We will work with Charmain Backwell, specialist school psychologist from the School of Special Education Needs: Behaviour and Engagement, who will facilitate the learning on how to engage and teach students who experienced trauma.

If you did not attend our assembly last week you would have missed me acknowledging our students who have been taking part in swimming lessons. I received feedback from the swimming instructors that our students had behaved exceptionally well in and out of the water. They had commented that all the children were speaking the same language around their behaviour and the accountability between students was impressive. The students really did represent our school with pride and demonstrated our value of **Unity**.

Overnight on Wednesday we unfortunately had some vandalism done in the school grounds. Disappointingly our sun cream was used to graffiti around the school on the brick work and turf. Our cleaning and gardening team worked quickly to clean up and repair the damage and have the school looking great for the students when they arrived. If you do notice any suspicious behaviours on the school site after hours please phone school security on **1800 177 777**.

DEPUTY PRINCIPAL'S REPORT

TEAM DEANMORE

To coincide with swimming lessons and the introduction of our Sun Aware policy, students spent time focusing on our expected behaviour of, "Responsibility – We wear the appropriate uniform".

After our Team Deanmore assembly, where students helped Seamore fix his uniform and display our 'start' behaviours, everyone had the opportunity to design a broad brimmed hat that reflected key elements of our school; our values, Team Deanmore, our factions and our sun aware message. With help from the Team Deanmore committee, Seamore chose a winner from each year level. Congratulations Courtia from G4, Chloe from G1, Sienna from K2, Gracie K4, Eve from M4, Beth from M2, Grace from D1 and Lisa from D3. All our winners were presented with their Team Deanmore prize packs at our most recent Team Deanmore assembly.

TEAM DEANMORE AT THE WACA

Team Deanmore took over the WACA on Tuesday evening at the WBBL Perth Scorchers v Sydney Thunder game. Over 200 kids and family members were at the game with Deanmore students all experiencing activities on the hallowed turf. Mr Rodgers was named 'Volunteer of the Game' at the end and met all the players with his daughter, Matilda from G4.

Good evening all, with artMarket a little under 4 weeks away, it's time to get down to the nitty gritty! Please find below a link to our sign up sheet for volunteers on the night. Your class reps will put out a sign up sheet for your class room stall. In addition to this there are various other jobs we need help with on the evening. We appreciate that everyone is busy and wants to enjoy the market with their family, and there is no reason why you can't AND still volunteer for something. Some of these spots are only a 15 minutes duration. Many of the shifts are in preparation for the day on the day and some are weeks prior in the form of letter box drops, which is a great way to get the kids off the iPad and enjoying some lovely fresh air. These events are only possible with your help.

We all look forward to another successful evening of Fun, Family, Food and that great Deanmore community feels. Thanks in advance and go team Deanmore!
