PRINCIPAL'S REPORT

This morning we celebrated the achievements of students in the school through our school Book Awards. Three students from each class were recognised under the categories of Respect, Responsibility and Unity, and Excellence. We also awarded prizes for students in Science, HASS, Chinese and Physical Education. Congratulations to all award recipients.

On Monday we will celebrate the Year Six Graduation with an assembly after school. This is an important occasion for students and families as we signal the end of our students' primary school education and wish them well as they enter secondary school. A number of our graduates will receive awards at this assembly, again recognising the exceptional students at our school.

Despite the hot weather and the need to stay indoors, as well as the interruptions to the usual timetable, the students have done a really good job of maintaining the expectations for behaviour this week; we are sure it will continue next week. Due to their fantastic behaviour all term, students are invited to take part in our end of year Team Deanmore award on the last day of school. We are inviting students to bring along water pistols to enjoy some water play at the end of the day. We will share some photos on Dojo next Thursday.

Classroom teachers have been asked to commence sending home belongings in a manageable way. This should also assist parents when looking to purchase book list items for 2020.

I would like to thank Ms Jodee Eaves, Chair, and the School Board for their investment in our school this year. We have engaged in robust conversations, ensuring we are doing all that we can to achieve the targets and milestones we have set. I would like to thank Katherine Drakeford for her commitment and service during her tenure on the School Board. I appreciate your input and hard work over the journey.

The Deanmore Art Market was a huge success. The community vibe and atmosphere was sensational. I would like to thank Claire Lawson and her team of volunteers for pulling together such a well run event that showcased our school and community.

Thank you to Steve Schupp and the P&C for working to provide community events and raise over \$30 000 for the school this year. I invite all parents and community members to get in touch with our P&C and become involved in the new year.

We anticipate having class lists up on the library windows on Thursday next week. This will allow students to find out where they are heading in the new year and who their classmates will be. I am sure you can appreciate the logistics of class placements, and while we have accommodated requests where possible, staff are best placed to make the final decisions. We have recruited a number of new staff who have the Deanmore ethos and will bring expertise and energy to our already fantastic team. We will introduce new staff on Dojo over the summer break... stay tuned.

Wishing you a Merry Christmas and safe and relaxing break over the summer. We will welcome students back on Monday the 3rd February 2020.

Dear Parents and guardians,

To celebrate our first year of Team Deanmore and all classes reaching **1000 acknowledgements of positive behaviour** this term, we will be hosting a whole school reward on **Thursday 19th of December at 2:20pm**. Students are invited to participate in a **water play afternoon**. All students will wear their school uniform and will need to bring a towel. You may wish to send a change of clothes for your child to get changed after school. Students are also allowed to bring water pistols, spray bottles etc. from home which can be filled up during the water play reward.

Any students who wish not to participate will be welcomed into the library for quiet reading time.

All students will also get an icy pole at the end of the reward time.

We look forward to celebrating a great year with all our students.

Kind regards,

Team Deanmore Leadership Committee

Thank you SIMS for your performances, thank you Deanmore Dance Group and choir and Ms Prescott and Ms Pratley for organising such a talented group of individuals! Thank you Twin Cinema for your awesome vibes. Thank you all so much, The artMarket team.

The P&C would like to offer a **MASSIVE thank you** to **Clare Lawson** who has done an absolutely fantastic job of Fundraising. We will miss her immensely as she leaves us this year. Wish her all the best for the future. If there is anyone that would like to take on the fundraising coordinator next year please contact the P&C.

Thank you to the individuals who managed P&C events and the many volunteers who have assisted.
